 Parking lots

- From E 11 Mile Rd. (the service drive), turn right onto W. Park. E. Park is a One Way street northbound.
- When taking the Gratiot exit (Exit 27) from Eastbound I-696, you cannot turn onto W or E Park. Go up to the Gratiot intersection and go around the block on Wildwood.
- From Westbound I-696, take Gratiot Ave (Exit 27). Keep to the left. Turn southbound (Left) onto Gratiot going to the right hand lane. Wildwood is the first street on the right.
- From Southbound Gratiot, cross I-696 and the service drive. Turn right onto Wildwood.

- Main entrance is on the east side

- From the service drive, there is a concrete driveway just east of W. Park St. **Look for the red line on the map.** It allows vehicles to pull up under a covered portico at the handicap entrance. Inside that entrance there is a chair lift that will lift even an electric chair and occupant up the steps. The entrance to the sanctuary is right at the top of the steps.
